Mr. Thomas H. Deming, formerly of Mt. Olivet, has been taken by his brother, W. C. A violent wind and rain storm struck here about 5:30 o'clock yesterday evening, lasting thirty minutes. The rain was accompanied by vivid flashes of lightning and loud and rumbling thunder. For a time the streets were perfect rivers, the gutters and sewers being inadequate in carrying off the great volume of water. With the exception of a few trees being uprooted there was no damage done in the city.

AN UGLY FALL

A Ten-Year-Old Lad Received a Fractured Skull Yesterday

Cassius Claypoole, a lad about ten years old, met with an accident yesterday evening that will probably cost him his life.

He was helping an older brother unload cars at the Gaebke & Co. Coal Elevators in the East End and in some manner lost his footing and fell off the elevated tramway. In the fall his body struck the roof of the engine room and rolled through an opening onto a drum containing a wire rope which pulled the loaded car from the river to the yard.

He fell a distance of sixteen feet.

According to statements of his attending physicians last night there was a concussion with a probable fracture of the skull.

A more thorough examination will be made this morning.

He was in a semi-conscious condition, but is reported better this morning.

It has been only a few weeks since the boy's father was buried.

His home is in January street.

Master Miller Chandler of Minerva is visiting Master Leo Hawes of Sutton street.

The First Ward Hose carriage was out yesterday, commanded by Captain Kinney McClanahan, and hauled by Misses Ella McClanahan, Lida and Sue Richeson and Mrs. Alice Richeson. It was a false alarm, but lots of fun for the West End Fire Department.

WHO KNOWS HER?

Reputed Maysville Girl Reported Hurt With John Robinson's Circus

If all the people that were born in Maysville, or that have lived here, or that are reported as belonging here, could be gathered together, they'd make a town as big as Bombay.

Yesterday a telegram was sent from Ithaca, N. Y., stating that Miss Mary Rhodes of this city, with John Robinson's Circus, received serious injuries while doing her aerial act at Cortland.

By the breaking of a toe strap, she shot head first 60 feet through the air into the reserved seats, landing on her head and shoulders.

She was placed in the Hospital there. Nobody hereabouts seems to know anything about the unfortunate young woman; and she is just as likely to belong in Mesopotamia as in Maysville.

HORRIBLE ACCIDENT

Thomas Condon Almost Blown to Pieces By Dynamite

Yesterday morning at 10:20 o'clock Thomas Condon, while blasting near Mayslick, met with a horrible accident. He was using dynamite and had successfully discharged several blasts.

He was using a fishing pole in ramming the dynamite, when there was a premature explosion. The right hand and arm were torn almost completely from the body and had to be amputated near the shoulder; his left hand badly bruised and lacerated and arm half severed, midway between wrist and elbow; face and scalp contused and lacerated, producing a ghastly aspect; throat cut, exposing carotid artery, jugular veins and trachea; both eyes severely lacerated and burned, it is thought sufficiently to destroy vision; the skull and bones of face were exposed over a large area. It seemed the flesh was literally burned from the bones.

The whole injured area was filled, in addition to material of the explosion and fragments of stone, with small spicules of a fishing pole which he held in his hands. The cane was blown into small fragments which penetrated the injured area in unnumbered quantities.

The patient was operated upon at noon by Drs. Taulbee of this city, assisted by the Mayslick physicians.

The injured man rallied after the operation, but it is impossible to prognosticate thus early as to the outcome, either as to life or recovery of vision.

He was injured several weeks ago in this city by falling from a wagon.

By reason of his "going" qualities, he deserves to be called Au-Togo.

If the Czar has any warships that Togo hasn't seen, he'd best take them out in the back yard and hide them in the woodshed.

The news comes from Paris that some one threw a bomb at President LOUBET of France and King ALFONSO of Spain as they were riding through a street in that city. Could it possibly have been one of the wild shots that ROJESTVENSKY aimed at Uncle Togo? They seem to have landed everywhere else than in the place intended.

Without a dissenting vote both branches of the Philadelphia City Councils withdrew the ordinance authorizing the lease of the City Gasworks to the United Gas Improvement Company for a period of seventy-five years, for which privilege the Company was to pay the city \$25,000,000.

PERHAPS it might be urged that the Bible is a "sectarian" book, from the fact that all the various "sects" accept it as their infallible guide.

THE taxpayers of Mason and nearly every neighboring county are sending up a howl because of the exorbitant "raise" made in their assessment by the State Board of Equalization at Frankfort. Be calm, gentlemen, and take your medicine; Democracy comes a little high, it is true, and the "Machine" needs a lot of oiling, but you put it there.

Political Pickings

KOHN AND THE GOEBEL CASE.

Louisville Evening Post.

After the election of 1899, when the certificate of election was awarded to Mr. Taylor, certain Democratic leaders induced Mr. Goebel to make a contest in "behalf of the party."

At that time Mr. Kohn developed into a state leader. He was active and alert and agile as usual; a great politician among lawyers; and a great lawyer among politicians.

After Mr. Goebel's death Mr. Aaron Kohn presented to Mr. Goebel's estate a bill for services rendered—the Democratic party? No. For services rendered the state? By no means. For services rendered fair elections? Oh, no.

He asked \$5,000 for services rendered to William Goebel personally in his contest for Governor.

Far be it from The Evening Post to attempt to decide between these two claimants. Mr. Kohn is said to be, or was once said to be, a great criminal lawyer, and the methods of the criminal practice were no doubt effective in that contest.

The representatives of the Goebel estate resist the claim. They say the services rendered were rendered voluntarily, not to Mr. William Goebel at all, but to the Democratic candidate for Governor in a contest which he made reluctantly, but made in obedience to the demands of Democratic leaders.

But the absent are always wrong. The performance, which was supposed to be for the benefit of the party, and which was to give to Mr. Kohn high claims to party consideration, is now declared to be solely services rendered for a fee, and a considerable fee; in fact, for nearly one-fourth of the Governor's salary for four years.

The case is interesting in itself, and each stage will become more interesting than the one which preceded it. Saturday the Jury declared against Mr. Kohn. No doubt an appeal will be taken.

DRAGGING

down pains are a symptom of the most serious trouble which can attack a woman, viz: falling of the womb. With this, generally, come irregular, painful, scanty or profuse periods, wasteful, weakening drains, dreadful backache, headache, nervousness, dizziness, irritability, tired feeling, inability to walk, loss of appetite, color and beauty. The cure is

WINE OF CARDUI
THE FEMALE REGULATOR,

that marvelous, curative extract, or natural wine, of herbs, which exerts such a wonderful, strengthening influence on all female organs. Cardui relieves pain, regulates the menses, stops drains and stimulates the womb muscles to pull the womb up into place.

It is a sure and permanent cure for all female complaints.

Cuban Diarrhea.

U. S. soldiers who served in Cuba during the Spanish War know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon, as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhea Remedy cured my husband of a severe attack of Cuban diarrhea, which he brought home from Cuba. We had several doctors, but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by all Druggists.

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

Had Lumbago and Kidney Trouble

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."

Purchased Thursday by Prominent Louisville Capitalists

Negotiations were closed at Flemingsburg Thursday for the sale of the Covington, Flemingsburg and Ashland Railroad to a syndicate of Louisville capitalists, incorporated under the name of the Cincinnati, Flemingsburg and Southeastern Railroad Company, with a capital stock of \$125,000.

S. S. Bush, W. N. Cox and Attila Cox, Jr., representing the purchasers, and H. E. Bradley, the seller, had been in Fleming since Wednesday and made the transfer Thursday.

Under the new regime Mr. Bush will be General Manager of the road, and R. L. Dudley of Flemingsburg Superintendent.

PUPILS' RECITAL

Miss Moore's Music Class at First Presbyterian Church

A very interesting recital was given by the pupils of the music class of Haywood Seminary at the First Presbyterian Church last evening.

The program was opened by a quartette, "Battle March of the Priests of Athalia," well played by Misses Robb, Yancey and Roberson. Miss Mary Esther Hoeflich received much applause after her rendition of "The Whistling Boy." Miss Florence Barbour displayed clear tone in "The Fountain," by Bohm. Misses Cooper and Clephane played a brilliant duet, "Ernani," by Berger. The quartette, "Tilting at the Ring" and "The Chase," by Reinecke, was one of the successes of the evening. Miss Mary Lee Glascock distinguished herself by the artistic manner in which she played the "Sonatina" in C major, by Clementi. The quartette, "Poet and Peasant," by Suppe, showed the best ensemble playing of the evening. The duet, "Valse," by Durand, and "Dance of the Sylphs," by Bachmann, were well received by the audience. The duo, "Bohemian Airs," by Pirani, played by Mr. Neal Hubbard and Miss Ada Emmitt, was finely rendered. Miss Louise Robb and Miss Ida Yancey distinguished themselves by their exquisite tone quality in "Intermezzo," by Chaminade, and "Turkish March from Ruins of Athens." The program closed with a beautiful quartette waltz, by Moszkowski, played by Misses Barbour, Shanklin, Hall and Roberson. Misses Margaret Matthews and Florence Barbour played a beautiful selection, "La Baladine," by Lysberg.

MAYSVILLE TEACHERS

Appreciation of Prof. Mitchell, Who is to Leave Maysville

The High School Building was the scene yesterday afternoon of a very delightful meeting of "The Maysville Teachers' Association."

After all business had been transacted Superintendent Clinger presented to Mr. Mitchell, on behalf of the teachers, as a token of appreciation, several pieces of silver, which, he said, would constantly remind him of "The Maysville Teachers' Association."

His exemplary record, cheerfulness under all circumstances and enthusiastic efforts to make the Association a success, were highly spoken of by Superintendent Clinger.

Mr. Mitchell replied in a fitting manner expressing his surprise and pleasure in receiving such an expression of appreciation from the Association.

After five years' work and at a cost of \$2,500,000, 170 acres of the richest iron deposits in England have been claimed from the sea on the Cumberland coast, by means of a semicircular sea barrier almost 7,000 feet long, 210 feet wide at the base, 83 feet on top and 40 feet high. An old sea wall, constructed in 1790, 600 yards further inland, made 5,000,000 tons of ore available.

Maysville Has to Bow to the Inevitable—Scores of Citizens Prove It.
After the reader has read the public statements of this representative citizen of Maysville given below, he must fairly, squarely and honestly come to this conclusion: A remedy which cured years ago, which has kept the party in good health since, can be relied upon to perform the same work under similar circumstances. Read this:
M. C. Chisholm, Constable in District No. 2, living at 343 East Second street, Maysville, Ky., says:
"Doan's Kidney Pills positively cured me of kidney trouble, and I do not hesitate to give them the strongest kind of recommendation. I had been troubled with too frequent action of the kidney secretions and it disturbed my rest nights. Having my attention called to Doan's Kidney Pills I procured them at J. Jas. Wood & Son's Drugstore, and I noticed an improvement in my condition from the start. My trouble was soon entirely cured. This was some years ago, and I have had no return of it since. Anyone suffering from difficulties arising from disordered kidneys can make no mistake by using Doan's Kidney Pills."
